The Rights and Responsibilities of Pedestrians, Bicyclists and Drivers

**Pedestrians have the right to:**
- Cross in crosswalks safely where crosswalks are marked
- Walk along roadways and highways when no sidewalks are present. Pedestrians should exercise caution and walk as near as practicable to an outside edge of the roadway and, if on a two way roadway, shall walk only on the left side of the roadway.
- The right of way when walking on a sidewalk. The driver of a vehicle crossing a sidewalk shall yield the right of way to any pedestrian and all other traffic on the sidewalk.

**Bicyclists have the right to:**
- All rights applicable to the driver of a vehicle
- Ride in bicycle lanes without obstruction
- Ride on the roadway when there is also an adjacent recreational bicycle path available even if there is not bicycle lane in the roadway.
- Ride in a lane other than the right-hand lane if only one lane is available that permits the bicyclists to continue on his/her intended route
- Ride in the middle of the lane in slower traffic

**Motorists have the right to:**
- Operate vehicles in a travel environment that is safe and predictable

**Pedestrians have the responsibility to:**
- Cross roads and intersections where crosswalks are marked
- Cross roads at a 90 degree angle
- Yield to vehicles when crossing roads where no marked crosswalks are present
